

To efficiency. And beyond.

Attract, seat and manage diners easily

Welcome to an end-to-end restaurant management system built by restaurant people, for restaurant people.

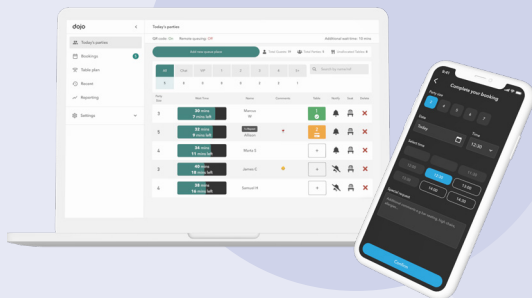

It's built for efficiency, helping your hospitality business create better experiences for you and your customers.

Contact your local Payments Consultant for a 30-day free trial.

Dojo bookings, by restaurant people, for restaurant people

Get discovered by new customers, take reservations, seat diners automatically and run your restaurant easily with a single online system.

DISCOVERABILITY

Appear on Google Reserve (and more)

Take bookings from Google, your own website, launch offers and be discovered by over 800,000 customers on the Dojo diner's booking app.

EASY TO USE

Handle all your bookings easily

Manage any booking, from walk-ins to online – all in one place, on any device. And save time as the system automatically seats diners and takes deposits.

SIMPLE SETUP

Hit the ground running

After a bespoke onboarding to the platform, we'll add a single line of code to your site and you'll be up and running, ready to train your staff.

CUSTOMER SUPPORT

Get help whenever you need it

With a 99% customer satisfaction score, you'll have a live chat team instantly ready for your questions from 8am to 11pm daily.
